**VERIFIED COMPLAINT**

LONG ISLAND OFFICE

Civ. No.

**CV - 15 7247**

**AZRACK, J.**

**LOCKE, M. J.**

**COMPLAINT AND JURY DEMAND**

Plaintiff, DANIEL PELUSO, by and through his undersigned counsel, as and for his  
Complaint in this action, hereby alleges as follows:

**NATURE OF THE CLAIMS**

1. This is an action for relief and for damages to redress the wrongful termination of  
Plaintiff, DANIEL PELUSO, a civil service employee, in violation of his constitutional rights to due  
process of law and freedom of speech, the New York Civil Service Law, and his slander, among  
other unlawful and tortuous conduct by Defendants.

2. By terminating Plaintiff, Defendant Commissioners and CENTEREACH FIRE  
DISTRICT, deprived Plaintiff of his property interest in continued employment as well as accrued  
vacation/sick time approximately 255 hours at \$42.56 per hour, in violation of his rights under the  
Fifth and Fourteenth Amendment to the United States Constitution. In addition, Plaintiff was  
terminated as retaliation for statements his wife made regarding matters of public concern. Plaintiff,

therefore, seeks complete “make whole” relief and other damages, as well as other equitable relief to redress the violation of his constitutional rights.

3. By terminating Plaintiff, a civil service employee, despite the fact that he had performed his duties in an adequate fashion and had not engaged in any misconduct, the Fire District Defendants violated the New York Civil Service Law § 75 et seq.

4. By terminating Plaintiff in retaliation for his wife’s complaints in the Fire District building, the CENTEREACH DEFENDANTS, violated the anti-retaliation provisions of the New York State Human Rights Law, New York Executive Law § 296 et seq.

5. By making false and derogatory public statements regarding Plaintiff, the Fire District Defendants have unlawfully defamed and/or slandered Plaintiff, causing severe and irreparable harm to his reputation and extreme emotional distress.

6. Defendants’ conduct was intentional, knowing and malicious negligent and/or showed a willful, wanton or reckless disregard for the rights of Plaintiff, which has caused and continues to cause Plaintiff to suffer substantial economic and non-economic damages, severe physical and mental anguish, and emotional distress, breach of contract and conversion.

### **JURISDICTION AND VENUE**

7. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1343, as this action involves federal questions regarding the deprivation of Plaintiff’s rights under the Constitution of the United States and federal civil rights laws. The Court has supplemental jurisdiction over Plaintiff’s related claims arising under state or local law pursuant to 28 U.S.C. § 1367(a).

8. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b) because a substantial part of the events or omissions giving rise to this action occurred in this district.

### **FACTUAL ALLEGATIONS**

#### **PELUSO's Civil Service Employment**

16. In or about 1985, Mr. Peluso, became a member of the CENTEREACH FIRE DEPARTMEN. He began his employment as an employee with CENTEREACH FIRE DISTRICT as a Mechanic in 2003.

17. At all times during his employment for CENTEREACH FIRE DISTRICT, Mr. Peluso conducted his work in a more than adequate fashion.

18. None of Mr. Peluso's colleagues or supervisors, nor any other representative of CENTEREACH FIRE DISTRICT ever suggested to him that his work product was in any way deficient or that he had engaged in any misconduct.

19. During Mr. Peluso's employment with CENTEREACH FIRE DISTRICT, he became aware of numerous improprieties involving the CENTEREACH DEFENDANTS.

20. For example, among other improprieties, the CENTERACH DEFENDANTS directed and/or participated in the following unlawful conduct: (a) caused plaintiff's wife, Tracy Peluso, to be terminated from the Centereach Fire Department. Mrs. Peluso was successful in her discrimination claim and received a settlement.

21. As retaliation against Mrs. Peluso, the CENTEREACH FIRE DISTRICT brought charges against Mr. Peluso. Mr. Peluso was a 13 year employee of the CENTEREACH FIRE DISTRICT. Mr. Peluso respectfully submits that he has been an employee of the CENTEREACH FIRE DISTRICT since January, 2003. He was hired as an Assistant Mechanic from 2003 to 2005. In 2005, he took over as the Chief Mechanic at the District. The practices that Mr. Peluso followed were the practices that were taught to him by the prior Chief Mechanic. Mr. Peluso followed the training procedures that were instructed to him by commissioners, management personnel in the Fire District, including, but not limited to, Chief Mechanic Richard McKenna. Mr. Peluso's habits did not change over the eleven year period. Mr. Peluso's wife, Tracy Peluso, was dismissed from the Centereach Fire Department on or about May 2, 2013. It is Mr. Peluso's position that these charges were brought against him because his wife, after her dismissal from the fire department, filed an EEOC claim against the Centereach Fire Department for her claim of discrimination. The charges against Mr. Peluso were brought on or about June 27, 2014. It is my client's position that these charges were retaliatory against the family for his wife, Tracy Peluso, speaking negatively about the Fire Department.

22. Mr. Peluso went from being an Assistant Mechanic to Chief Mechanic. He has been factory trained in the following: Air Brakes, Vehicle Suspensions, FRC Electronics, Multi-Plex Diagnostics Systems, Akron Valve Assemblies, Cummings Motors, Detroit Motors, Willburt Light

Towers, Interlocks, New York State Inspector License and Snap-on Diagnostic Trained. In addition, he has the following National Certifications in Emergency Vehicle Training: Fire Apparatus Technicians Exams, Inspection, Maintenance and Testing of Fire Apparatus, Design Y Performance Standards of Fire Apparatus, Fire Pumps & Accessories, Fire Apparatus Electrical Systems, Aerial Fire Apparatus, Allison Automatic Transmissions, Advanced Electrical Systems, Foam Systems and Hydraulic Systems. Mr. Peluso is a Certified Management Trainer who is qualified to teach how to build a maintenance program for Fleet Repairs and Record retention according to MFPA standards in addition to being certified to train in Fire Apparatus inspection, Maintenance, Design and Performance standards. In addition, he was factory certified by the fire truck manufacturers to perform warranty work. When Mr. Peluso worked on CENTEREACH FIRE DISTRICT'S vehicles, that repair covered warrant, the CENTEREACH FIRE DISTRICT would be reimbursed \$95.00 per hour for every hour Mr. Peluso worked on these vehicles. CENTEREACH FIRE DISTRICT also contracted with Stony Brook Fire District for DANIEL PELUSO to perform repairs to Stony Brook fire apparatus, regular basic maintenance and big repairs. The fee of \$75.00 per hour collected by CENTEREACH FIRE DISTRICT also for these repairs. Mr. Peluso is now a part-time mechanic at the Holbrook Fire District where he works on other department vehicles as well, including CENTEREACH FIRE DISTRICT.

23. It was alleged Mr. Peluso was obligated to pay and failed to pay to New York State, sales tax on vehicle parts that were delivered to the CENTEREACH FIRE DISTRICT for Fire District or Fire Department personnel. In sum and substance, the Fire District's claim was something to the tune of \$62.00 that Mr. Peluso was obligated but did not pay. Mr. Peluso had a hearing where he was unrepresented and he was found to be guilty of not paying the sales tax. The consumer is not the tax collector but rather the vendor is the fiduciary for the state sales tax. Mr. Peluso has no duty to the State to collect, hold and submit sales tax. Simply put, the consumer pays

the bill as presented. With the foregoing in mind, Mr. Peluso was terminated from his position.

**The CENTEREACH Defendants' Defamatory Public Statements Regarding Plaintiff**

24. Upon information and belief, the CENTEREACH DEFENDANTS defamed Mr. Peluso. During January, 2015, Mr. Peluso was elected Fire Commissioner again for the CENTEREACH FIRE DISTRICT. At the first meeting when he was sworn in, the Fire Commissioners read into the minutes of the meeting that Mr. Peluso had been terminated for corruption. Furthermore, they refused to give him access to the Commissioner's Room as well as the following defamatory public statements: published his termination in Newsday numerous times; threatened on social media of state and federal indictment; read termination charges at commissioner's meeting when Mr. Peluso was being sworn in as Commissioner; wrote letters to insurance companies stating that Mr. Peluso was not bondable; forwarded same letter to President of the Fire Department Benevolent Association, which Mr. Peluso is an elected secretary; went to Mr. Peluso's place of employment numerous times to "warn" his bosses about Mr. Peluso not being a good person, he is a thief and cannot be trusted; sent District Attorney to Mr. Peluso's job to request all invoices involving Mr. Peluso and Hendrickson doing business together, including asking for any business Mr. Peluso and Hendrickson had regarding Mr. Peluso's tool invention (Neverbind); when Mr. Peluso became Commission at every meeting the other Commissioners (especially Wilson) would refer to Mr. Peluso as not being trustworthy to receive his fiduciary rights; denied by other Commissioners of his fiduciary right as an elected official, denying to give him credit cards, access to file room, access to GPS records/computer, time cards of employees, financial records all done in an open public meeting; spread rumors among Fire Department where Mr. Peluso has been a volunteer fireman for 30 years, thereby causing question to Mr. Peluso's character as a good and moral person; hired a lawyer to threaten Mr. Peluso with a lawsuit for harassment and causing a hostile work environment towards Rudy (District Manager of Fire District) and Jennifer Gardner (secretary). Mr.

Peluso was in office for six days when this letter was written.

25. On information and belief, the CENTEREACH DEFENDANTS have made numerous other similar false and defamatory statements regarding Mr. Peluso to other persons, including persons involved in the CENTEREACH FIRE DISTRICT, as part of their defamatory public relations campaign.

26. These statements are false, were made maliciously, and were intended to and did defame Mr. Peluso in his profession, destroy his professional credibility, and ruin his good standing in the community.

27. Upon information and belief, as a result of the CENTEREACH DEFENDANTS' false and malicious statements, many of Mr. Peluso's professional contacts, as well as his friends and neighbors, have come to believe that Mr. Peluso was incompetent and he was of poor moral character as the Chief Mechanic for the CENTEREACH FIRE DISTRICT, a Fire Commissioner, a Fire Chief, a Fire Captain, a Fire Lieutenant and firefighter. This erroneous and unjust public perception has irreparably harmed Mr. Peluso's professional contacts and reputation in the Centereach community.
